

## HIGHLAND PRESBYTERIAN CHURCH NURSERY AND WEEKDAY SCHOOL

Dear Parents/Guardians,

The **Highland Presbyterian Church Nursery and Weekday School** is happy to offer a half-day program (8:45 – 11:45 a.m.) with extended play options that serves children from infancy through kindergarten. We have a long-standing history of providing high quality early care and education and have a wide menu of options from which you may choose. We hope that you will find an option that matches your family's needs. ***Please indicate your preferences on the attached sheet by putting a 1, 2, 3 or 4 by the options for your child's age group.***

When building our classes, we hope to create a positive experience for all children. Enrollment will be based on the following priorities: 1) children of current Church members and faculty; 2) children currently enrolled; 3) siblings of currently enrolled children; 4) children previously enrolled, and/or their siblings; 5) children whose parents/guardians attended Highland Presbyterian Weekday School or Parents' Day Out as a child; 6) "new" students who will be admitted with consideration given to the educational needs of the classrooms, cultural diversity, and date of application.

Please return an application for each child at your earliest convenience, but the initial deadline is Monday, January 15, 2018 to be considered in our first placements. After the initial enrollment period, we will consider applications on a rolling basis when space becomes available in our classes. We will notify you if we can accommodate your request.

In lieu of a registration fee, we will collect 10% of the tuition as a non-refundable deposit if we offer enrollment to your child(ren).

If you intend to apply for financial assistance, *please let us know as soon as possible* so that an application may be sent to you. Financial applications are also due by January 15, 2018 so it's unlikely that funds for assistance will be available after that date. All information is held in the utmost confidence. Also, be aware that we require all children to have on file with the school an unexpired KY Immunization Certificate indicating that each child is current for all immunizations.

Sincerely,

*Amy Fitzgerald Ann Lacy*

- NURSERY PROGRAM :** We offer small class sizes for infants and toddlers where children form close relationships with their caregivers, explore a stimulating, safe environment, and participate in art and music experiences designed just for them.
- PRESCHOOL:** Preschool children will play and learn in a consistent group which meets a designated number of days each week. Each class will be led by experienced, professional teachers who observe growth and development, develop a curriculum designed for both the group and individual children, and share with parents/guardians the information gathered in a developmental portfolio at conferences two or three times each year.
- KINDERGARTEN:** Kindergarten offers a child-centered, creative environment where children are encouraged to think, theorize and wonder as they learn. We combine traditional learning with child-initiated discovery learning and problem solving. Our Kindergarten class is half-day and supports children's learning in small, individualized groups.
